Да се напише потребниот CSS код во датотеката style.css за да ја составите веб страницата прикажана на сликата подолу. HTML кодот **кој не треба да се менува** и е даден во index.html. Во фолдерот се дадени и потребните слики кои треба да се постават со помош на каскадни стилови.

Се употребуваат фонтовите "Helvetica Neue", Helvetica, Arial, sans-serif; со димензии од 16px. Позадинската боја за горниот банер е #edf6ff. Во делот со линковите е #2babe1 боја, а во делот со линковите до други страници (IMDB и сл.) е #00374f боја. Сликите треба соодветно да се распоредат на страницата. Линковите не треба да се потцртани.

Останатите параметри на CSS документот треба да се избберат за да се добие визуелниот ефект даден на сликата. Целокупниот приказ на страната е даден во фолдерот **screenshot\**

## Intro

Breaking Bad is an American crime drama television series that originally aired on the network AMC for five seasons, from January 20, 2008, to September 29, 2013. The show's main character is Walter White (Bryan Cranston), a struggling high school chemistry teacher who is diagnosed with inoperable lung cancer at the beginning of the series.

He turns to a life of crime, producing and selling methamphetamine, in order to secure his family's financial future before he dies, teaming with his former student, Jesse Pinkman (Aaron Paul). The show, created and produced by Vince Gilligan, was set and produced in Albuquerque, New Mexico.

Throughout the series, Walter produces and sells meth to earn money in order to secure the financial future of his family: his wife Skyler (Anna Gunn), and children Walter, Jr. (RJ Mitte) and Holly (Elanor Anne Wenrich).

## People

The show also features Skyler's sister Marie Schrader, and her husband Hank (Dean Norris), a Drug Enforcement Administration (DEA) agent who is aid in solving the case involving the meth empire. Walter teams up with lawyer Saul Goodman (Bob Odenkirk), who helps him get into contact with drug kingpin Gus Fring (Giancarlo Esposito). In the fifth season, Walter heavily involves himself with Mike Ehrmantraut (Jonathan Banks), Todd Alquist (Jesse Plemons) and Lydia Rodarte-Quayle (Laura Fraser).

Breaking Bad is widely regarded as one of the greatest television series of all time. By its end, the series was among the most-watched cable shows on American television. The show received numerous awards, including ten Primetime Emmy Awards, eight Satellite Awards, two Golden Globe Awards, and a People's Choice Award. In 2014, Breaking Bad entered the Guinness Book of Records as the highest rated show of all time.

## Walter White

Bryan Cranston as Walter White – a chemistry teacher diagnosed with Stage IIIA lung cancer who turns to making meth to secure his family's finances. As his shady businesses progress, Walter gains a notorious reputation under the name of Heisenberg. Cranston stated that, though he enjoyed doing comedy, he decided he

"... should really focus on doing something else. But I think any good drama worth its weight always has a sprinkling of comedy in it, because you can ease the tension to an audience when it's necessary, and then build it back up again. Walt White has no clue he's occasionally funny, but as an actor I recognize when there are comedic moments and opportunities."

Anna Gunn as Skyler White – Walter's wife who was pregnant with their second child prior to his diagnosis, and who becomes increasingly suspicious of her husband after he begins behaving in unfamiliar ways. Gunn sees Skyler as "grounded, tough, smart and driven". Gunn sees Skyler's stalled writing career as her biggest dream, saying "I think she really deep down yearns to be an artist and to be creative and productive."

## Jesse Pinkman

Aaron Paul as Jesse Pinkman – Walter's former student, Pinkman, is a drug dealer who partners up with Walt and makes high-level meth. Paul sees Jesse as a funny kid. "He's just this lost soul – I don't think he's a bad kid, he just got mixed in the wrong crowd." Paul elaborated on the character's background, saying "He doesn't come from an abusive, alcoholic background. But maybe he just didn't relate to his father, maybe his father was too strict and too proper for Jesse." Paul compared the character's relationship with Walt to The Odd Couple.

## Development history

The network ordered nine episodes for the first season (including the pilot), but the 2007–2008 Writers Guild of America strike limited the production to seven episodes. The initial versions of the script were set in Riverside, California, but at the suggestion of Sony, Albuquerque was chosen for the production's location due to the favorable financial conditions offered by the state of New Mexico. Once Gilligan recognized that this would mean "we'd always have to be avoiding the Sandia Mountains" in shots directed toward the East, the story setting was changed to the actual production location. Breaking Bad reportedly cost \$3 million per episode to produce, higher than the average cost for a basic cable program.

In July 2011, Vince Gilligan indicated that he intended to conclude Breaking Bad at the end of its fifth season. In early August 2011, negotiations began over a deal regarding the fifth and possible final season between the network AMC and Sony Pictures Television, the production company of the series. AMC proposed a shortened fifth season (six to eight episodes, instead of 13) to cut costs, but the producers declined. Sony then approached other cable networks about possibly picking up the show if a deal could not be made. On August 14, 2011, AMC renewed the series for 16 episodes.
